Model of Religious Education.

At Siena Catholic Primary School we give witness to the two dimensions of Religious Education - teaching people religion and teaching people to be religious in a particular way through our motto of *Prayer, Care and Learning*.

As ‘People of Prayer’, students develop their sense of the sacred, through the celebration of rich and meaningful liturgy and ritualising everyday life events that form the rich tapestry of our Catholic Christian story.

As ‘People of Learning’, students develop their religious knowledge and understanding and skills through the learning opportunities in the Religious Education classroom that engage and challenge students to ‘articulate their faith and live it in an open and authentic way’. (Pg 11 RE Curriculum, 2013)

As ‘People of Care’ students are challenged to live the Gospel of Jesus Christ in their everyday lives and to be ‘a religious voice in the world’. (Pg. 11 RE Curriculum, 2013)
