

Siena

Bus Services

Siena presently enjoys a number of services provided by local operators. The use of public transport is encouraged to assist in reducing the number of cars that need to come on site. The more cars that come on site the greater the traffic problems.

It is advised for families to check directly with the companies regarding routes and pick-up times.

1. The main operator (Buslink Qld Pty Ltd) covers the coastal strip from Caloundra to Noosa.
Phone: 5476 6622 www.buslinkqld.com.au
2. Glasshouse Country Coaches serves Glasshouse, Beerwah and Landsborough with connections from Peachester and Maleny.
Phone: 5496 9249

The Buslink website provides detailed information on collection points and bus routes on the Sunshine Coast. This is to be used to assist in accessing suitable public transport.

The State Government subsidises school transport under certain conditions. This can take various forms e.g. Part-pass or Conveyance Allowance or Bus Fare Assistance (for non-government schools). The form of subsidy, if any, depends on where you live.
